

# Calibration Gases for the Global MARINE Industry

Standard and ISO:17025 Gas Mixtures Offering

- **NEW - Marine Emissions** calibration gases accredited to ISO:17025:2017
- **Marine Emissions** - Working gravimetric standards calibrated to NIST or NPL.
- **Gas Detection** - The world leader in gas mixtures in NRC's and Refillable Cylinders (HPC) for fixed and portable safety systems.
- **Direct Delivery** and a network of **Distribution Hubs** globally - USA, UK, Europe, Dubai, Singapore and China.
- Calgaz offers a full range of calibration gases to the Marine Industry.

# Complete Range of Gases

## Global Mixtures Offering

Calgaz offers a wide range of mixtures for the calibration of Marine gas detection systems. These include reactive binary mixtures such as H<sub>2</sub>S and SO<sub>2</sub>, Quad mixtures, and non reactive gas mixtures.

As well as the largest range of standard and *OneDay* products, Calgaz can also supply specialized mixtures to meet exacting specifications in both Non-Refillable (NRC) and Refillable High Pressure Cylinders (HPC). These can be delivered directly to most locations across the world.

Gas Mixtures	Gas Detection*	Emission Gases - Working Standards*	ISO:17025 Accredited
Hydrogen Sulphide	✓	✓	✓
Sulphur Dioxide	✓	✓	✓
Nitric Oxide / Nitrogen	✓	✓	✓
Ammonia	✓		
Chlorine / Nitrogen	✓		
Hydrogen Chloride / Nitrogen	✓		
Ethylene Oxide	✓		
Hydrogen Cyanide	✓		
Nitrogen Dioxide	✓	✓	✓
Phosphine / Nitrogen	✓		
Silane / Nitrogen	✓		
Ethanol	✓	✓	✓ (BrAC only)
Benzene / Air	✓		
Methane	✓	✓	✓
Oxygen	✓	✓	✓
Carbon Monoxide	✓	✓	✓
Carbon Dioxide	✓	✓	✓

\*Standard Gravimetric Calibration Gas Mixtures. Traceable NPL/NIST

# Global Marine Services

Fast Worldwide Calibration Gas Service

## OneDay Despatch

Customers can log into [www.calgaz.com](http://www.calgaz.com) and see an up to date listing of all of our "OneDay" gases held in stock at locations around the world. Any *OneDay* product can normally be despatched the next working day to your location.

## Private Customer Labelling

Calgaz has led the world in providing private labelled products to meet your needs and company brand. In addition to private labelling we can now offer other premium services including branded paperwork; SDS's and Certification.

## NRCs and Refillable Cylinders

Calgaz offers gas mixtures in globally approved Non-Refillable cylinders and also High pressure Refillable cylinders (sold outright - no rental), with BS, CGA or DIN fittings.

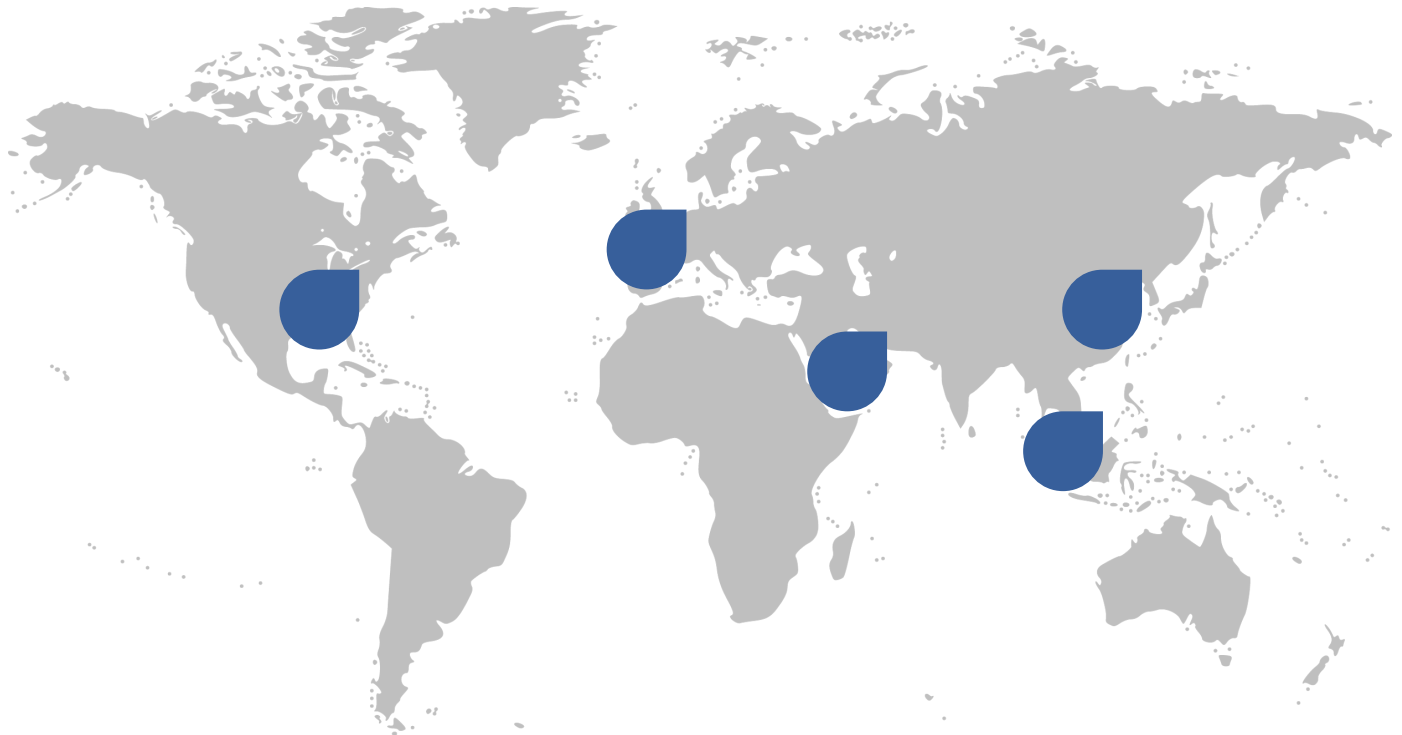

## Global Distribution

Calgaz has manufacturing plants in the USA and UK. In addition we can offer stock holding and distribution from Hubs in Dubai, Singapore and China. With over 40 years experience, Calgaz has the expertise to ship gases and equipment to almost every country in the world via our network of Dangerous Goods Logistic partners.
